YOUR GATEWAY TO THE GREAT OUTDOORS!

Central and Eastern Oregon is one of the most beautiful outdoor meccas on the planet. Stretching east to the Oregon border, south to the California border, west to the crest of the Cascades and north to the Columbia there's a dizzying array of year-round outdoor opportunity ready to be tapped. The 24th annual Central Oregon Sportsmen's Show presented by Leupold celebrates this wealth of choices from stream trout, off-road overlanding, desert deer, river rafting, Cascade camping and the list goes on.

The 2023 Central Oregon Sportsmen's Show is filled with activities, fun, new features and a few annual favorites.

Making their Central Oregon debut is the Paul Bunyan Lumberjack Show. With multiple shows daily, these tried-and-true lumberjacks entertain audiences through a variety of challenges like log rolling, axe-throwing and crosscut sawing. Don't miss the fun!

After a three hiatus the Kids Free Trout Pond is back! It's free for kids 12 and younger with admission into the show. Everything's provided, even a plastic bag for your child's trout! Many a lifelong fishing journey started at this pond.

Public lands advocate and hunter, Randy Newberg returns with his daily Q&A. Randy's one of the foremost authorities on hunting public lands and he lends his expertise and unique perspective honed over decades of public lands hunting in these well-attended Q&A sessions. You're advised to get there early for a seat.

This year's show plays host to the first RV and boat sale of the year with acres of RV's and the area's top boat dealers all in one place. It's one of the most unique features of this show. Presented by Selco Community Credit Union, the Central Oregon Sportsmen's Show RV & Boat Sale is where you'll land your best deal of the year.

And there's so much more like the iconic Head and Horns Competition, Wall of Kings, Bi-Mart Ammo Sale and Kubota Field Event on Saturday. And even with all these wonderful features, the real star of this year's show are the hundreds of exhibitors that have traveled from as far away as Africa to be a part of this spectacular annual event.

Book a trip, discover a new destination, check out a new fishing rod, buy some outdoor art or handmade furniture, sample some food, try on some outdoor apparel, check out an ATV, shop the gun safes, attend some seminars and enjoy the show! It's all here for four days and the fairgrounds will be filled with experts in all facets of hunting, fishing and outdoor recreation. We hope you take full advantage of this year's show. . . it's our best ever! Thank you for joining us in celebrating this storied and majestic region and all it has to offer.

The O'Foughlins

In Oregon & Washington, RMEF completed 1,817 projects that conserved or enhanced 1,377,471 acres of habitat and opened or improved access to 270,763 acres, including phase I (4,600 acres) of the landscape-scale Minam River project in northeast Oregon. When phase II is completed in 2023, more than 15,500 acres will be open to hunting and other recreational activity.

SHOW ATTRACTIONS

After a three year hiatus the Kid's Free Trout Pond is back! Kids 12 and younger can fish for free and take up to two trout home if they wish. Everything's provided including the plastic bag to take them home in. This is one of the most popular attractions at our shows and we've missed seeing the families and happy kids enjoying this iconic feature. And to make things really interesting we've added several trophy-sized trout in the mix as well...so hang on!

Paul Bunyan Lumberjack Show! The Central Oregon Sportsmen's Show is thrilled to introduce this wonderful competition to the fairgrounds. It's muscle against machine as expert lumberjacks take on a variety of competitions including log-rolling, cross-cut sawing, axe throwing, underhand chopping and much more!

Show Times:
1pm & 3pm – Thursday, and Friday
1pm, 3pm & 5pm – Saturday
12pm & 2pm – Sunday

Public lands advocate and hunter Randy Newberg joins us every day of the show at the Central Oregon Sportsmen's Show. He'll be hosting daily Q&A sessions in the Hunting Theater. It's your opportunity to meet Randy and have a conversation. Randy's a genuinely good guy, wonderful to talk to and a wealth of information that he's ready to share.

With more than 10,000 entries since its inception in the mid-90's, the Head and Horns Competition has logged hundreds of new records. For \$30 our certified measurers will measure your antlers, horns, head or turkey beard. The prizes are fantastic! Special thanks to our Head & Horn sponsors.

SHOW ATTRACTIONS

The Wall of Kings is one of the most impressive trophy displays to be found anywhere on the planet! It's a collection of big game mounts that will amaze any deer or elk hunter. And appropriately, you'll find it close to the Head & Horns Competition.

And on Saturday, March 11th from 10a-5p, the Kubota Field Event presented by Platt Equipment and Mid-State Power Products. Try-it and buy-it! You'll find it in the Hooker Creek Arena at the First Interstate Bank Center and Deschutes County Fair & Expo Center. Test drive zero-turn mowers, sub-compact, compact and utility tractors and utility vehicles. Financing available. We're excited to bring this to this year's show...and we hope you're excited to take a test drive!

Bi-Mart is returning with it's ammo sale! Ammunition has been in short supply the past several years. Not this year. The Central Oregon Sportsmen's Show will have the largest supply of ammo for sale in the Northwest.

The first and biggest multi-dealer RV & Boat Sale presented by Selco Community Credit Union east of the Cascades! Buy where price and selection are best! There's acres and acres of RV's to shop and plenty of boats too! Pontoons, surf and wakeboard boats, kayaks, fishing boats and more!
