WELCOME TO A WORLD OF OUTDOOR ADVENTURE!

The majesty and magic of the outdoors captured legions of new anglers and hunters in 2020. Outdoor recreation proved to be the ultimate COVID relief measure as people took to the outdoors in new RV's, boats, boots, kayaks, tents, bikes and fishing and hunting gear intent on getting out of the house safely.

Expect 2021 to be much the same. Outdoor recreation will continue to be a safe haven for us all to enjoy. The Sportsmen's Shows have announced, "It's time to get out!", and the shows are your gateway to get your season started right.

This year you can look forward to a cavalcade of opportunity across the Northwest and beyond. The iconic Sportsmen's Show seminar series will get you pointed in the right direction. From spring chinook and public lands elk to walleye tactics and turkey hunting, you'll find plenty to tune-into at this year's shows.

It should come as no surprise the Sportsmen's Shows are staunch advocates of public access. This year we're proud and privileged to present as our Sportsmen's Show Ambassador, renowned public lands advocate and hunter, Randy Newberg. He hunts where you hunt. He'll be offering daily Q&A sessions, Thursday through Sunday. Check the seminar schedule for times.

This year, the Pacific Northwest Sportsmen's Show and Portland Boat Show is the nation's largest sportsmen's show with 300,000 square feet of display space and exhibitors and the West's largest boat show! Thank you for attending!

And just like every year, hundreds of businesses from across the country and globe take center stage with their outdoor products and services for you to buy...many at special show-only prices.

Welcome to the Show, we're glad and grateful you're aboard...enjoy the ride!

The O'Foughlins

In Oregon & Washington, RMEF completed 1,711 projects that protected or enhanced 1,349,815 acres of habitat and opened or improved access to 265,418 acres, including the 4,486-acre Cowiche III project in the foothills of the eastern Cascades.

Help us do more to ensure the future of elk and elk country!
